**License Numbers & Letters**

High quality Scotchcal vinyl film is gasoline resistant and is rated for 5 years

of outdoor use in the sign industry. Apply by marking a line on your hull side, press-apply the letters and numbers, and peel off the backing paper. They are gold with a black outline and thinner than a coat of varnish. Many people also use them for their boat's name.

Price per letter A to Z or number 0 to 9 \$1.95
