Special order parts/We buy old parts

Looking for a part that you can't find in our catalog? Either give us a call at 507-344-8024, email us at mail@classicboatconnection.com, or fax us at 507-344-8056. Try to give us a description of what you are looking for, and we will see what we can do. [Chris Craft part numbers are a big help, along with dimensions of the part.] We also buy old classic boat parts. Call us with what you have, and we can make you an offer either in trade or in cash.

Return and Warranty Policy

We must receive all returns within 60 days of their original shipment date. All returns are subject to a 10% restocking fee. All rebuilt parts are guaranteed for 60 days after the original shipment date. Items [such as Pertronix ignition kits, Lovett Bilge Pumps, etc] that have manufacturer warranties must be returned directly to the manufacturer. All special order parts and cut material [such as flooring, wire, crash pad, windshield rubber and gasket, etc] are not returnable.
