West System Maxi Repair Pack

Enough material to do several repairs. Six 16-gram packets of resin, 3.2 gram packets fast hardener, 6 grams low density filler, 4 grams high density filler, 2 brushes, syringe, gloves instructions

- WESTMAX** West System Maxi Repair Kit \$22

Microfiber Filler

West 403 is a thickening additive that blends easily with epoxy to create a general purpose adhesive that is high strength and has good gap filling capabilities.

- WEST403** West System Microfiber Filler 8 oz \$9

High Density Filler

A thickener for adding to your resin/hardener mixture. Good for wood boat bottoms, keels, and frames. Entire container will bring 1.2 quarts of resin/hardener mixture to a 'ketchup' consistency. The color is off white. It is very strong.

- WEST404** West System High Density Filler 15.2oz \$13
- ### Filleting Blend Adhesive Filler

This strong, wood toned filler is good for use in glue joints and fillets. It has good gap-filling properties. It cures to a dark brown.

- WEST405** West Filleting Blend Filler 8 oz \$13

Colloidal Silica

Helps prevent sagging on vertical surfaces. Very strong, off white, good for fairing.

- WEST406** West System Colloidal Silica 1.9 oz \$9

Low Density Filler

A thickener for adding to your resin/hardener mixture. Useful for fairing work. Easy to sand and carve. Cures to dark red-brown color. Contains microballoons. Entire container brings 1/2 quart of resin/hardener mixture to 'ketchup' thickness. 4 ounces.

- WEST407** West System Low Density Filler 4 oz \$14

Microlight Filler

Mixes more easily than West 407 Filler and is about 30% easier to sand. Cures to light tan color. Not recommended for high heat exposure.

- WEST410-7** West System Microlight Filler 5 oz \$30

Westbook

- WESTBOOK** West System Book \$5

Classic Boat Connection Boat Trailers

Bunk Trailers

We carry single and double axle bunk trailers that are available in either black or white. Their standard features include waterproof lights, winch, white spoke wheels, bearing buddies and a swivel jack with a variety of different options including chrome wheels, guide-ons, spare tire carrier, extended tongue, and a variety of brake options. Please give us a call and tell us a little about your boat along with how you plan to use your trailer and discuss any special concerns you have with us. We will help you find the right trailer for your boat and your situation. Since our bunk trailers are custom made for each person's situation, please allow three weeks for their construction.

Wishbone Trailers

We offer single, double, and triple axle wishbone trailers with a variety of different options including bearing buddies, guide-ons, spare tire mounts, bow stops, adjustable winches, and fenders. Our wishbone trailers can also be configured with surge or electric brakes. Please give us a call and tell us a little about your boat along with how you plan to use your trailer and discuss any special concerns you have with us. We will help you find the right trailer for your boat and your situation. Since our wishbone trailers are custom made, please allow three weeks for their construction.

For more information on our trailers, please go to www.classicboatconnection.com.

Boat trailers can not be delivered and must be picked up in Mankato, Minnesota.
