License Numbers & Letters

High quality Scotchcal vinyl film is gasoline resistant and is rated for 5 years of outdoor use in the sign industry. The letters and numbers are 3" tall, which is the usual standard for boat registrations. Apply by marking a line on your hull side, press-apply the letters and numbers, and peel off the backing paper. They are gold with a black outline and thinner than a coat of varnish. Many people also use them for their boat's name.
